15th User Group Meeting at OKTAL-SE

Thanks to all of you for your participation, we have been pleased to welcome you and introduce our different software and latest enhancements.

During this **User Group Meeting** which took place the **12th and 13th of October at Vigoulet-Auzil**, we had the opportunity to exchange about some subjects such as : enhancements in the images rendering, SE-Workbench contribution to AI, Radio Frequency domain, future of synthetic environment…

It will be a pleasure to see you on the next 2022 edition**.**

« *We would like to share with you some pictures about these 2 days* **».**

TAKE NOTE : For those of you who couldn't be with us, we are going to organise Webinars very soon …
